SEMINAR WITH JEFF LINDGREN  
FRIDAY, MAY 17 10-3

Come join us for a seminar with local artist, Jeff Lindgren. Jeff did a demonstration for SRAG at our February meeting. Typically an oil painter, Jeff will be teaching his techniques in acrylic paint because of the slow drying time for oil paint.

See registration form sent separately with this newsletter.

This date takes the place of the member meeting for May.

Anne McCune has a painting in two different galleries for the coming month.
