Meeting Notice September 11, 2013

Oil painting demonstration by Jean Stephens

Jean will be demonstrating the technique of using an under-painting to establish values for the finished work.

A Rochester New York native, Jean received a Bachelor of Fine Arts and Masters of Art Education from Rochester Institute of Technology. Her desire for classical training led to study with the late Thomas Buechner and Thomas Insalaco. My artwork expresses an inward journey toward my true feminine nature. Guidance from a holistic counselor, writings on feminine spirituality and the practice of yoga have provided glimpses of divine presence and the knowledge that all is connected. Excitement comes where brush meets canvas and pencil touches paper, where trust and guidance allow the universal to speak. The April 2005 issue of American Artist magazine featured an article on my landscapes. My paintings have been selected for national juried exhibitions, are included in private and corporate collections, and are represented by McGowan Fine Art, Concord NH, Oxford Gallery, Rochester NY, Shop One2, RIT, Rochester NY, and Artizanns, Naples NY.
