February 13. 2019 Group Critique
6:30 pm at the Greece Town Hall room B

Let's share our support, knowledge and ideas with our fellow artists, in a safe and nurturing environment.

Please bring one or two pieces of your artwork to the meeting. It can be a finished piece which you think you are satisfied with, or an unfinished piece that you are struggling with. Work does not have to be framed. We will critique as many pieces as we can, in the allotted time. Our comments will be positive and constructive.

Looking forward:

Rochester Contemporary Art Center

Hello everyone at Suburban Rochester Art Group!

I just sent through a contact form on your website and wanted to follow up with an email too!

I want to personally invite you all to participate in Rochester Contemporary Art Center's international small art phenomenon **6x6x2019!** We also hope you'll help us promote this call to your various lists and hopefully your families and friends. This year, we not only want to have greater participation from art communities from all over the world but from our local neighbors as well. It is free to participate and we are accepting artworks now through April 14th. If you have any questions, check out our website at **RoCo6x6.org** or message me back directly. You can also see more by searching #roco6x6.

Thanks for your support and we hope to make this year's 6x6 the best exhibition ever. Jessica
