

# BrushStrokes

**The newsletter of the Suburban Rochester Art Group**

**April 2021**

Hello Everyone!

Spring has finally sprung! Weather is improving, some early bird flowers are either blooming (depending on where you live) or are beginning to pop out of the ground. Days are longer and it just smells like spring.

Hope everyone has been well.....staying out of trouble (lol)....and do hope you all have been keeping up with your painting either producing more new pieces, reading up on things , learning and trying something new, anything that will keep you focused on your art.

At this time, we have no idea when or if the town hall will be open for us to meet there. I doubt very much that it will happen this spring so am hoping for the fall. Will keep you posted.

Terry has posted some theme activities for you. It would be nice to see more people involved in this. Remember , no one is looking for a masterpiece. It can be a piece in progress...a new idea...something you are working on ....anything. The theme ideas are beneficial to help keep those artistic juices flowing. So.....LET'S GO!! Let's make some art. Have some fun.

On another note...I hope you all have been able to receive the covid vaccine. It will certainly help when we all can get together again.

That's it for now. Will keep you abreast of any new developments that happen. Keep painting!!

The best to all,  
Eleanor

.....

The 70th Annual Central Adirondack Art Show held in Old Forge, New York now through June 6 is displaying amazing art work by artists across NYS including several from our region. Our own Diane Bellenger placed 3rd in the painting division with her piece entitled "Buttermilk Falls". Congratulations, Diane!!!
