## **Demo: Paul Allen Taylor**

We are thrilled to have secured the ever-popular watercolor artist, Paul Allen Taylor to give us a demonstration. Paul's watercolors and his easy teaching style are always instructional, entertaining and a pure pleasure to watch. He is a prolific artist who enjoys both studio painting and plein air, the latter particularly around the 1000 Islands area as well as more locally. He teaches classes and workshops regularly. See some of his work on his web site [paulallentaylor.com](http://paulallentaylor.com)

Please come out for the afternoon, support your art group, and enjoy the demonstration. Feel free to bring a friend . We need to give Paul an audience!

## **Summer Paint-Outs**

Thank you to everyone who came out to paint at our July and August paint-outs. Parma Town Hall Park, and Hogan Point Park. What a joy both occasions were, and what beautiful weather. It was refreshing to spend time outside with our artist friends and paint, draw, take photos, or whatever medium we chose. Let's do it again next summer and encourage other people to come and join us.

Maybe someone could send a photo of a finished piece to Terry for the next newsletter.
