Member news:

Colette Savage will have several pastels on display in the “**Focus on the Finger Lakes**” show at the Pat Rini Rohrer Gallery in Canandaigua, from August 23rd through Sept. 29th. The gallery is located at 71 South Main Street, Canandaigua, NY 14424

Ed. Howe had hip surgery on July 25. He is doing much better than expected; walking with just a cane and with very little pain. Ed thanks everyone for their concern.

Juanita Link got a third place ribbon for Watercolor Professional at the Keuka Lake art festival in Hammondsport. “*I had 8 Watercolors and about 70 oils; you never know what the judge will pick*”. *Juanita*

Diane Bellenger participated in the Morristown Plein Air Festival last week and sold two out of her three entries. She will be heading to Saranac Lake for their Plein Air Festival next week.

.....and finally this from **Diana Furman** in response to my request for newsletter items. “*Terry I have done nothing of the above but I have moved into an in-law apartment with my daughter. And it was an accident that we found just what we were looking for. My apartment is on the first floor, has 3 entrances, sound proof and everything I need is within reach. I just love it. I also claimed a room in the basement and now I am moving all my 'stuff' into that room which is now called my 'studio'.*

I tried to plant a garden this year but all the plants that I purchased died the next day. The more I watered them, the more they withered and gracefully bowed to the ground. It's a good thing I could take those plants back. I just could not figure out what made them go so quickly. Then one day my daughter said that we needed to shock the small decorative pool that graces our front yard. That's when it hit me. I was watering the plants with poison water. I stopped just in time from killing the 2 small apple trees”.
