Spring Show at the Legacy

Diane Bellinger and Karen Ariano met with the new Activities Director at the Legacy this week to discuss the show this year. She was unfamiliar with the event and a few things have changed... So far as we have planned, the drop off will be Saturday April 27th from 9am till 10:30 as usual... but WE will need to hang the show ...Also because they have remodeled and painted there will be no holes in the walls! They have a hanging system where rods hang from a molding. There are clips attached to the rods that will hold about two paintings each... We do not yet know how many rods there are and how many paintings each artist will be able to show this year as the rods have not been located and may be at another Legacy. We will try to have more information by the meeting on Wed. Because of the new hanging system all paintings will need to be wired...NO SAWTOOTH or hooks they simply won't work... The show will open May 1st, with the reception on Saturday May 4th from 2:00 to 3:30. The Legacy will provide refreshments and possibly provide invitations as well. It is also possible that the Legacy may plan to have an open house coinciding with our show which would be beneficial to both of us, as it will bring more people for sales and the Legacy would look its best.
